Swraj Paul opens hall in wife's memory

LEADING INDUSTRIALIST Lord Swraj Paul has inaugurated a grand new hall in memory of his late wife, Aruna, at the historic Indian Gymkhana Club in London. The opening of the Lady Aruna Swraj Paul Hall at the over 60year-old multisport venue took place at an event attended by British parliamentarians and diplomats on Saturday, which also marked the 92nd birthday of Lord Paul.

MEETS CHINESE DIPLOMAT WANG YI IN MUNICH

Blinken warns China against helping Russia in Ukraine

HUMEYRA PAMUK & MICHAEL MARTINA Munich, February 19

US SECRETARY OF State Antony Blinken on Saturday warned top Chinese diplomat Wang Yi of consequences should China provide material support to Russia's invasion of Ukraine, saying in an interview after the two met that Washington was concerned Beijing was considering supplying weapons to Moscow.

The top diplomats of the two superpowers met at an undisclosed location on the sidelines of a global security conference in Munich, just hours after Wang scolded Washington as "hysterical" in a running dispute over the US downing of a suspected Chinese spy balloon.

Relations between the two countries have been fraught since Washington said China flew a spy balloon over the continental US before American fighter jets shot it down on President Joe Biden's orders. The dispute also came at a time when the West is closely watching Beijing's response to the Ukraine war.

In an interview to be aired on Sunday morning on NBC News "Meet the Press with Chuck Todd," Blinken said the United States was very concerned that China is considering providing lethal support to Russia and that he made clear to Wang that "would have serious consequences in our relationship." "There are various kinds of

lethal assistance that they are at least contemplating providing, to include weapons," Blinken said, adding that Washington would soon release more details. Wang told Blinken the

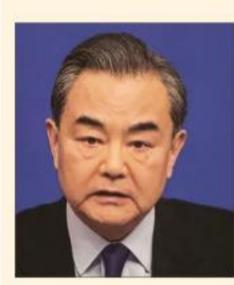

United States must "face up to and resolve the damage" to bilateral relations "caused by the indiscriminate use of force," China's foreign ministry said on Sunday.

Wang was referring to the recent shootdown of what the United States called a spy balloon but Beijing said was a

Adana in Turkey on Sunday.

Don't escalate balloon row, it will have ramifications: China

"If the US insists on taking advantage of the issue, escalating the hype, and expanding the situation, China will follow through to the end, and the US will bear all the consequences," Chinese diplomat Wang Yi told Blinken during the Munich meeting held at an undisclosed location

weather-monitoring craft. In another statement, the

ministry warned Washington against further escalation.

"If the US insists on taking advantage of the issue, escalating the hype, and expanding the situation, China will follow through to the end, and the US will bear all the consequences," Speaking to reporters in a

briefing call, a senior State Department official said China was trying to "have it both ways" by claiming it wants to contribute to peace and stability but at the same time taking "concerning" steps to support Russia's invasion of Ukraine.

Blinken "was quite blunt in warning about the implications and consequences of China providing material support to Russia or assisting Russia with systematic sanctions evasion," the senior official said, speaking on the condition of anonymity.

Russia and China signed a "no

limits" partnership last February shortly before Russian forces invaded Ukraine, and their economic links have boomed as Moscow's connections with the West have shrivelled. The West has been wary of

China's response to the Ukraine war, with some warning that a Russian victory would colour China's actions toward Taiwan. China has refrained from condemning the war or calling it an "invasion".

Earlier, speaking at a panel

at the conference, Wang reiterated a call for dialogue and suggested European countries "think calmly" about how to end the war.

He also said there were "some forces that seemingly don't want negotiations to succeed, or for the war to end soon," without specifying to whom he was referring.

Blinken and Wang's meeting came hours after the top Chinese diplomat took a swipe at the United States, accusing it of violating international norms with "hysterica" behaviour by shooting down the balloon.

The balloon's flight this month over US territory triggered an uproar in Washington and prompted Blinken to postpone a planned visit to Beijing. That February 5-6 trip would have been the first by a US secretary of state to China in five years and was seen by both sides as an opportunity to stabilize increasingly fraught ties.

"To have dispatched an advanced fighter jet to shoot down a balloon with a missile, such behaviour is unbelievable, almost hysterical," Wang said.

"There are so many balloons all over the world, and various countries have them. So, is the United States going to shoot all of them down?" Wang said.

China reacted angrily when the US military downed the 200-foot (60-meter) balloon on February 4, saying it was for monitoring weather conditions and had blown off course. Washington said it was clearly a surveillance balloon with a massive undercarriage holding electronics.

In the interview with NBC, Blinken said Wang did not apologise for the balloon's flight."I told him quite simply that that was unacceptable and can never happen again," Blinken said. "There was no apology," he said, adding that he had not discussed with Wang rescheduling his trip to China. — **REUTERS**

British Prime Minister Rishi Sunak with US vice president Kamala Harris at the Munich Security Conference in Germany

Sunak's margin for tax cuts set to narrow with deficit jump

ANDREW ATKINSON February 19

THE UKTREASURY is expected to post the largest budget deficit for any January in at least 25 years, tying the hands of Chancellor Jeremy Hunt as he faces calls to cut taxes and boost public-sector pay.

In normal times, January delivers a bumper surplus as workers and companies settle their tax bills. But this year, spending is being driven higher by soaring debt costs and billions of pounds of payments to help Britons through the worst costof-living crisis in generations.

Economists are expecting a deficit of about £8 billion (\$9.6 billion), the most since the month was first recorded in 1998.In a further blow to Prime Minister Rishi Sunak, the national debt is set to come within a whisker or even equal the size of the economy for the first time since the early 1960s.

The figures on Tuesday will provide the final snapshot of the public finances before Hunt delivers his budget on March 15 against a backdrop of economic stagnation, industrial unrest and mounting despair among ruling Conservative Party law-

French President Emmanuel Macron

Don't forget Napoleon: Russia tells Macron **REUTERS**

Moscow, February 19

RUSSIA ON SUNDAY scolded Emmanuel Macron over remarks about wanting to see Russia defeated, saying Moscow still remembered the fate of Napoleon Bonaparte and accusing the French president of duplicitous diplomacy with the Kremlin.

Macron told paper *Le Journal du Dimanche* France wanted Russia to be defeated in Ukraine but had never wanted to "crush" it.

"About 'Never': France did not begin with Macron, and the remains of Napoleon, revered at the state level, rest in the centre of Paris. France - and Russia should understand," Foreign Ministry spokeswoman Maria

Zakharova said. "In general, Macron is priceless,""she said, adding that his remarks showed the West had engaged in discussions about regime change in Russia while Macron had repeatedly sought meetings with the Russian leadership.

On Friday, Macron urged allies to step up military support for Ukraine, but also said he did not believe in regime change and that there would have to be negotiations at some point. "Let's be clear, I don't believe for one second in regime change, and when I hear a lot of people calling for regime change I ask them, 'For which change? Who's next? Who is your leader?"

US holds air drill with allies after North Korea's ICBM launch

SOO-HYANG CHOI Seoul, February 19

THE UNITED STATES held joint air exercises bilaterally with South Korea and Japan involving strategic bombers on Sunday, a day after North Korea fired a Hwasong-15 intercontinental ballistic missile (ICBM) in a "sudden launching drill". South Korea's Joint Chiefs of

Staff said the exercise, in which South Korea's F-35A, F-15K and US F-16 fighters escorted American B-1B bombers, demonstrated the allies "overwhelming" defence capabilities and readiness posture.

"(The exercise) strengthened the combined operation capability and affirmed the United States' ironclad commitment to the defence of the Korean Peninsula and the Armed Forces' B-1 bombers and F-16s in tactical exercises, Japan's Defence Ministry said security

Economic Zone (EEZ). "This bilateral exercise reaffirms the strong will between Japan and the United States to respond to any situation, the readiness of (Japan's Self Defense Forces) and US. Armed Forces, and further strengthens the deterrence and response capabilities of the Japan-US Alliance," the ministry said. - REUTERS

उत्तर भारतातील पहिला अणूऊर्जा प्रकल्प हरियाणाच्या गोरखपूरमध्ये येणार - डॉ जितेंद्र सिंह

नवी दिल्ली, दि. १९ : उत्तर भारतातील पहिला अणूऊर्जा प्रकल्प हरियाणामध्ये, राजधानी दिल्लीपासून अवघ्या १५० किलोमीटर अंतरावर, उत्तर दिशेला असलेल्या गोरखपूर शहरात होणार आहे, अशी माहिती केंद्रीय अणुऊर्जा आणि अंतराळ संशोधन राज्यमंत्री डॉ. जितेंद्र सिंह यांनी दिली. या संदर्भात आज माहिती देतांना ते पुढे म्हणाले की पंतप्रधान नरेंद्र मोदी यांच्या कार्यकाळातील एक महत्वाची कामगिरी म्हणजे, देशाच्या इतर भागातही अणुऊर्जेचे प्रकल्प उभारले जात आहेत. पूर्वी हे प्रकल्प केवळ देशाच्या दक्षिण भागातच म्हणजे तामिळनाडू, आंध्रप्रदेश किंवा पश्चिमेत महाराष्ट्रात होत असत, मात्र आता ते इतर भागातही होणार आहेत.

भारताच्या आण्विक ऊर्जा क्षमता वाढवण्याची क्षमता वाढवण्याच्या आमच्या सरकारच्या प्राधान्यक्रम ानुसारच हा निर्णय घेतला आहे, असे त्यांनी सांगितले. या ढृष्टीने, गेल्या आठ वर्षात सरकारने घेतलेल्या म हत्वाच्या निर्णयांची त्यांनी माहिती दिली. १० अणूभट्ट्या स्थापन करण्याच्या प्रस्तावाला मोदी सरकारने सामृहिक मंजुऱ्या दिल्या आहेत, असेही त्यांनी सांगितले.

सरकारच्या अणूऊर्जा विभागालाही अणुउर्जा प्रकल्प उभारण्यासाठी स्त्रोतांकरिता सार्वजनिक क्षेत्रातील कंपन्यांसोबत संयुक्त प्रकल्प उभारण्याबद्दल मंजूरी देण्यात आली आहे, असेही ते म्हणाले. सार्वजनिक क्षेत्रातील कंपन्यांमध्ये देशाची भविष्यातील ऊर्जाविषयक गरज भागवण्याची क्षमता असून, हे भविष्यातील एक उत्तम आणि आशादायी क्षेत्र आहे, असे ते पुढे म्हणाले.
